

Journal of Apitherapy and Nature Guidelines for Submission Process (4th International Apitherapy Congress of IFA)

Important Reminders:

1. Papers must have Turkish and English abstracts. Additionally, the language of the paper will be English (Turkish abstract of the accepted papers uploaded by foreign authors will be edited by the journal's technical support team).
2. Abstracts must be submitted using the journal's template found on congress page and must comply with the specified rules.

Process Steps

1. You should click on the "Submit Article" button on the Journal of Apitherapy and Nature homepage.

The screenshot shows the homepage of the Journal of Apitherapy and Nature. The URL in the browser is dergipark.org.tr/en/pub/jan. The page features the journal's logo and title, along with contact information and a list of research areas. A red circle highlights the "Submit Article" button in the right-hand navigation menu. Other buttons visible include "Login", "Send Reviewer Request", "Aim & Scope", "Author Guidelines", "Ethical Principles and Publication Policy", "Archive", "Editorial Board", and "Contact".

4. Author/authors information(s) should be entered.

Authors

The person who submitted the article is automatically added as the corresponding author. You can use this field to add other authors. If the email you have added is registered in the system, the author screen will open to you. If it is not registered, the confirmation email will be sent to the author's email address and the article will be sent to the journal when the author accepts it.

Author's email to add

Please enter co-author's email and click add.

+ Add Author

| Order | Author Name | Author Detail | Author Type | Author Status | Actions |
|-------|------------------|--|------------------------|---------------|---------|
| 1 | Atiye DEĞİRMENÇİ | E-mail: atiyeyaygaz@ktu.edu.tr Institution: KARADENİZ TEKNİK ÜNİVERSİTESİ Country: Turkey Phone: ✕ Orcid: ✕ | • Corresponding Author | Registered | |

5. Manuscript files should be uploaded.

Files

- The article files should be uploaded in this step.
- Files in the "File Type" list must be uploaded.
- Click on the "Upload Supplementary File" to add your additional files.
- The file size should not exceed 100MB.

Submission Files

- 1. COPYRIGHT FORM [Download From Here](#)

Please fill the form and upload it to the system.

Copyright form can be downloaded here.

The article files and copyright form will be uploaded below.

| # | File Name | File Type | Actions |
|-----|-----------|----------------|---------|
| 1 * | - | Full Text File | |
| 2 * | - | Copyright Form | |
